BRIDGE REPAIRS ON I-293 NORTHBOUND IN MANCHESTER
TWO DAYS OF WORK ON BRIDGE OVER PISCAQUOG RIVER

The New Hampshire Department of Transportation announces bridge repair work is scheduled to take place Tuesday, April 15 and Wednesday, April 16 on the I-293 northbound bridge over the Piscataquog River and on-ramp.

This bridge joint repair work will require lane closures for two days between the hours of 9:00 AM and 2:30 PM.

Cones, warning signs and uniformed officers will alert motorists to the lane closures and assist them through the work zone. Minor delays can be expected and motorists should exercise caution when driving through the work zone.
